

Smoking Policy: What will I do?

Sample policy statement: Smoking

It is my policy to ensure that children are in a smoke-free environment whilst in my care.

Procedure (how I put the statement into practice)

I will not smoke in or on the premises whilst minded children are present.

I will ensure that:

No-one smokes in any room where the children in my care are present or about to be present, either in my home or in any other setting.

Where reasonably possible I will ensure that no-one smokes in an outside play area when the children in my care are present or about to be present (although this may be difficult, for example at a public park).

This policy is based on a template by the Professional Association for Childcare and Early Years (PACEY) to its childminder, nanny and nursery members for adaptation to their individual settings or role. Whilst every effort has been taken to ensure that the information provided is accurate and up to date, PACEY will not be held responsible for any loss, damage or inconvenience caused as a result of any inaccuracy, error or omission.
